

Paddle Dimmer, 700W, Incandescent / Halogen

ADPD703HW4

The Paddle Dimmer features a simple up and down switch control as well as a slider for dimming lights.

features & benefits

- Pair the Paddle Dimmer with a classic Paddle Switch or Fan Speed Control for a consistent, uniform look.
- Designed to support incandescent and halogen bulbs
- Select a single dimmer to control one light. Or, pair it with a second switch and conveniently control the light from two locations. Dimmer supports single-pole and three-way operation.
- Easy "1-for-1" installation lets you simply replace your existing 700W dimmer with adorne in just minutes.
- Fits in your existing electrical box and does not require new wires for typical installation. Innovative assembly and snap-in system make it fast and simple to install.
- Shown in a classic white finish. Also available in magnesium.
- Easily customized with adorne wall plates available in a brilliant palette of 32 colors and a variety of luxurious materials.
- Complete your total designer look with options like a stunning adorne Accent Nightlight accessory.
- Your remodel looks like a million bucks. It deserves better than an ordinary light switch. Add that last finishing touch with adorne, a stunning, one-of-a-kind collection of switches, dimmers, and wall plates that will transform your walls from boring to absolutely breathtaking. It's time for a beautiful switch.
